select group of apartments with an impressive modern design. With the spacious interiors, large terraces and floor to ceiling glass, a new standard is set for style and comfort. Innovative products, such as domotic intelligent home systems, are used to make your life more comfortable. You can choose from two or three bedroom units and terraces from 88 to 155 m2. There is thermal and sound insulation and marble finishes in each apartment. All apartments include central air-conditioning, floor heating, electric blinds, gas and water leak detectors, cut-off and smoke detectors. The salon and bedrooms have a glass front, allowing the light and sea to become one with the interior living space
